## Work Experience

---

### Front End Intern – Beenabled – September 2022 – November 2022

- Participated in weekly standup with development mentor & product owner to discuss challenges, progress, & future work
- Learned & utilized WCAG web accessibility standards while working on a front-end landing page for the company

### HOPE Program Supervisor- HOPE Program/ NCORR/ NCDPS May 2021- September 2022

- Assisted in assessing program needs based on data collected and provided program production reports. Developed and delivered training as new members joined the team and the needs of the program evolved.
- Directly supervised a team of 8 HOPE Specialists. Managed work volume and assigning applications. Performed direct case management when needed
- Conducted team meetings and one on one meetings to evaluate HOPE Specialist's performance and assessed needs. Developed plans for reaching goals when needed
- Coordinated with different departments to ensure efficient communication

### HOPE Program Specialist-HOPE Program/ NCORR/ NCDPS February 2021- May 2021 (remote)

- Reviewed and case managed a load of up to 4,000 applications for eligible NC residents while part of a bilingual team. Communicated with applicants and their landlords by phone and email to provide updates or request additional documents or to verify information provided
- Kept proper documentation using Salesforce while working in a fast-paced environment

### Social Worker I - Jackson County Department of Social Services – Jan 2020-Oct 2020

- Developed and managed case plans with families, and maintained accurate records of tasks accomplished according to the state's policy manual regarding foster care
- Prepared the necessary court documents, testified in court, and worked under deadlines
- Performed additional duties including taking intake calls, interpreting, and doing investigation interviews
